Dear Mr Mitchell and fellow Supporters,

Like you, at Marie Curie we believe that every day of your life matters. When you are living with a terminal illness you feel that more than ever. And thanks to your amazing donation of £2400.30, raised from your annual Dave Owens and Frank Goodall Memorial Fund Walk, you will help more people to make the most of the time they have together.

Thanks to you someone living with a terminal illness will receive practical and emotional support from a Marie Curie Nurse. And most importantly, this vital support is given in the comfort of the person's own home or one of our nine hospices.

In these familiar and comforting environments, someone living with a terminal illness can enjoy the time they have left, surrounded by the people they love. The presence of a Marie Curie Nurse also means they can enjoy the simple things we so often take for granted, such as sitting in their favourite armchair, helping their children with homework, or being able to celebrate special family events.

Your act of kindness will make a difference to so many because without your support, Marie Curie Nurses simply couldn't do their amazing work. Thank you.

Once again, thank you so much for your kindness and support.

Yours sincerely,

Clare Kershaw
