General notes about the fundraising

The charities we support are extremely grateful for any donations they receive, and our aim is to donate as much money as possible.

There is **NO** minimum sponsorship condition, but we ask each walker to try and target **£100.00** of individual sponsorship. (The average sponsorship raised to date is approximately £200.00 per walker). All the sponsorship funds raised by our participants and any residual monies go to the nominated charities we support.

Entry Fee

The Entry Fee of **£5-00** is to cover the operating overheads of the event

Note about the return of collected funds

Regrettably, we have experienced incidences of participants who collected sponsorship and subsequently did not submit their collected funds.

We consider it to be a serious misconduct to withhold monies given for the purpose of charity, and a failing to carry out the wishes of sponsors who have pledged donations to a cause so many of our participants work hard to support.

If it is not your intention to fully commit yourself to this objective we respectfully ask that you do not apply.
