Dear Gerard & Team

Chatsworth Challenge 2024

Thank you so much for the wonderful donation of £1873.87 for Cancer Research UK received on the 18th July.

It was lovely to hear about the challenge this year and all the success and support that you have built up over the years with your volunteer helpers and walkers. Just brilliant!

Please pass on our sincere thanks to everyone involved in helping to make this fabulous donation possible. Your support is greatly appreciated.

These generous funds will go directly to help fund work class research. Cancer Research UK is currently funding over half of all the UK's research into cancer and together with supporters like you, we are making progress against over 200 types of cancer, bringing forward the day when all cancers are cured. Donations like yours give us hope that there can be a better future for millions of cancer patients because we know that with your support, we can continue helping more people win their personal battle against cancer and live longer, healthier lives. That is the power of your gift.

Cancer Research UK is fighting for a world where no one's life is cut short by cancer and there is real hope. Each year our scientists get closer to finding cures, whether that's through targeted treatment or simply detecting cancers earlier. As a result, we've helped double survival rates in just 40 years.

All funds raised from the Chatsworth Challenge will make a genuinely positive impact and contribute hugely towards our ongoing vision to bring about a world where everyone can live longer, better lives, free from the fear of cancer. Thank you again for your continued support,

Best wishes
