Dear Gerard,

You've made a real difference

From all of us here at Macmillan, we're so grateful to the Dave Owens & Frank Goodall Memorial Fund for choosing to support us once again with your kind donation of £1,853.25 from your Chatsworth Challenge 2025! Because cancer can affect someone's life in so many ways, we do whatever it takes to give people the support they need, and your donations make it happen. Please find enclosed a certificate to show our appreciation of your kind support.

I can appreciate that there are lots of charities that you could choose to support in memory of Dave Owens & Frank Goodall, and I wanted to say how grateful we are that you chose us. To help put this into perspective, this kind donation could pay for a Macmillan Information and Support Manager for over a week, giving people living with cancer the opportunity to ask questions and talk through their concerns at one of our Macmillan Information and Support Centres

Whatever it takes

At Macmillan, we give people with cancer everything we've got. If you're diagnosed, your worries are our worries. We will move mountains to help you live life as fully as you can. And we don't stop there. We're going all out to find ever better ways to help people with cancer, helping to bring forward the day when everyone gets life-transforming support from day one.

Your generosity means so much to us! Please scan the QR code above to receive a heart-felt thank you message for your donation.

With best wishes,

Jean-Gabriel Tarassenko
