Dear The Dave Owens & Frank Goodall Memorial Fund,

**We can't thank you enough**
We'd like to take the time to say a huge thank you for raising a fantastic £2,201.10 from the Chatsworth Challenge 2026! We truly couldn't do what we do without the incredible support from people like you. Your dedication and hard work have truly made a significant impact, and I cannot express how much we appreciate your support. We know your generosity could have supported many wonderful causes, and we are deeply thankful that you chose to support our work.

**Fair Cancer Care**
Macmillan's mission is to make cancer care fairer for everyone, wherever they live and whoever they are. For example, support like yours has enabled us to invest in a new Neighbourhood Transformation Fund to provide more joined-up care for older people, who often have to manage cancer alongside other long-term conditions.

To give you a little perspective on how your donation supports people living with cancer; this kind donation could support the Welfare Rights Team on the Macmillan Support Line for one hour. In this time, they could answer 21 calls, emails and webchats and they could help identify around £44,000 in unclaimed benefits for people affected by cancer.

Find out more about the impact of your support by scanning the above QR code!

Thank you again for helping those people living with cancer, now and in the future.

With best wishes,

Mullins
