Dear Gerard and all the Team,

Thank you so much, you are incredible.

Your fundraising efforts are just incredible, and we're so grateful to you for supporting Marie Curie services once again. The donation of £2201.10 as part of the Dave Owens and Frank Goodall Memorial Fund from the Chatsworth Challenge 2026 will make a real difference to many families.

I know that a huge amount of time and effort goes into organising the Challenge every year and your support for our charity doesn't go unnoticed. What you have achieved and raised over the many years is amazing.

At Marie Curie we believe that every day of your life matters. When you are living with a terminal illness you feel that more than ever, and we want people to make the most of the time they have together.

Chris received a terminal diagnosis and wanted to be at home with wife Sarah, and his two children. Marie Curie Nurses were able to grant that wish. He was able to spend his final days with his family, in the comfort of his own home. Sarah found this support invaluable too, she had felt overwhelmed and unable to cope with providing around the clock care in addition to looking after two children.

Your fundraising is already making a huge difference for people like Chris and his family. Our services provide expert hands-on care, practical and emotional support when it's needed most.

On behalf of all of us at Marie Curie, and the people and families we've supported, we really cannot thank you enough. Your donations make such a difference, and we are so grateful for your generosity and support.

With my warmest wishes and greatest thanks,

Rebecca Bramley
