Dear Gerard,

The Dave Owens & Frank Goodall Memorial Fund
OPA Donation - £733.71

We are sincerely grateful to everyone involved for their continued support of OPA Cancer Charity through the fundraising efforts in the 2026 Chatsworth Challenge.

With so many worthy charities to choose from, we are truly grateful that you chose to support ours. Your generosity will make a meaningful difference to our mission to raise awareness of oesophageal and gastric cancer, and to provide essential support to those affected by these conditions.

Once again, thank you for your kindness, commitment, and dedication. Your incredible contribution will have a lasting impact and help us continue our vital work.

Yours sincerely

Miss Drew Matthews
